

SELF-MADE MILLIONAIRE

Advice and Suggestions for an Enriched Life While on the Road to Success
By Windy Rein

Take steps to securing a successful life in following your
passions.....

In her new book *Self-Made Millionaire*, author Windy Rein offers kernels of wisdom reflective of her own personal experiences, and tackles such issues as securing wealth for life, striving for success, the art of conversation, as well as a variety of others. *Self-Made Millionaire* is an inspirational book, ideal for anyone who may be facing difficulties in life, for those moments where all that is needed is just that little bit of encouragement and hope for the future.
